CONNECT

Music is magical. Music is powerful.

Music surrounds us every day, every moment for each of us and for all of us. Music provides shelter. Different kinds of music reflect our own diversity. Yet they are like us, as we all aspire for HARMONY.

Music sustains us. It keeps us going. Music touches us. Rhythm moves us, and the beat goes on. Music is like the air we breathe. Let us give shelter to one child, one human, one animal, one tree, and one life at a time.

Let us connect through music.

DOUG SHIMELL, Emcee

"A Musical Journey for Unity and Humanity" embraces the cultural diversity uniting through music. We welcome many areas school children and young people to join in to sing together for the message of peace and unity. Harmony For Peace connects children and young musicians performing with renown artists spreading the message of Hope and Love for Tomorrow. Join us for our program of beautiful music in harmony for humanity."
