

Join in our **"CONNECT"** Campaign!

Join us to participate in this "Butterfly Art Project":

"Butterfly" is a symbol of Freedom, Love and Friendship. Let's fill our concert venues with a lot of butterflies from you!

No Violence, No War, No Conflicts, No Hatred but just Love.

The collected butterfly cards are sent to the countries outside the US, such as in Africa and Asia and will be delivered to children in remote places where your message will be read, enjoyed and will encourage many.

Imagine this and be creative. You can color the butterfly card in front of this card as you like. You are the artist! (Please download and print the card front and back. Don't forget to fill out below.)

My Peace Message for "Hope and Love for Tomorrow" is -

My First Name: _____ My City: _____

My School/Group: _____ Date: ____ / ____ / ____

- Hand the card in to your teacher, school, art group or bring it to our Peace Concert!
Or mail it! **Harmony For Peace, P.O. Box 2165, Southeastern, PA 19399**
